NEWSLETTER OF WAIHI BEACH  
DIRT TRACK CLUB (INC.)

OCTOBER 2010

## PRESIDENTS REPORT

Hi there racers,

A new season will soon be under way. A new committee has been selected and there are a few old faces still in there so thanks to them for putting their hands up again to help out. We are still in the process of getting the track refurbished for the new season so I'll keep you up to date with that. This is the reason for the late start to this season, all for the best though as it gives you more time to put the finishing touches to your cars and get signed up. We will also have a working bee on 6 November, you know the story many hands make light work (this is also last day for sign up). All the best with your season, see you on the track soon.

Patrick.
