Presidents Comment

Well, the first Committee meeting for the New Year has happened with a keen bunch ready to get things done!!

The main items that we decided on were:

* **To get at least 15 Mini stocks at each race meet**

* **A Quote is to be obtained for materials to replace our food caravan.**

* **To have a site meeting on Sunday 21-08-11 to begin the piping and contouring of the track as soon as possible so we actually have a track to race on this season.**

My intention for this year is to have every committee member with a task which will be their responsibility to ensure it is achieved either by themselves or by delegating to someone else if they are unable to do it. One job that is to be everyone's, is to catch up with every past member that you know of and by fair means or foul and get them back to racing.

Cheers Neil
