Presidents Comment

We had one of the most awesome tracks I have seen with a fantastic surface - I believe every one would agree - pity the watercart driver didnt "sprinkle" the track for the last couple of races and then it would have been 110% !!!

*Great to see Dave Hansen and the boys promoting the club in Te Puke - thanks
Dave*

The Jalopy dust up coming up we need help from as many club members as we can. This is a fantastic day for all so please put your hand up to help.

A big thank you to all of the helpers on race day without you we could not race. Don't forget as part of your membership you are required to help with duties on race days, if you are unsure of what to do talk to one of the committee or better still talk to the guy/Gal next to you and find out!

An Awesome display of Members promoting the WBDTC Well done to Dave Hansen & The Boys

The Race Day at WBDTC price was auctioned on Friday night was highly contested and went for a good price. I think it was the Lemon Family (partners in MPAC's parent company) that brought it, but they left before I had a chance to talk to them. The auctioneer gave WBDTC a great rap before the auction. I think it was a very worthwhile promotion for all concerned. I will bring a cheque up next race day for you

Also attached is a photo of Logicools float in the Te Puke Christmas parade. Sorry, didn't win!

The two ministocks in the background are the Cheetham boys who race at Rangeview.

Thank you,

Dave Hansen

A NOTE FROM THE EDITOR

I hope this newsletter finds everybody well and gearing up for Christmas!

What can we say about our 2nd race meet, holy crap the wind!!!! I don't know about everybody else but I swear when I got home I had half the dirt off the track under my shirt!!

Congratulations to our Drivers of the day Jake Furze and Ben Mullan well done guys.

The numbers were down on the 3rd race day, but by the sounds of it everyone had a fantastic day!

A big Thank you to all of those who attended the various Santa Parades in the district. We have certainly put the WBDTC on the map.

I hope to see everyone on the last race day for 2011 (Saturday 17th December 2011) it will be a great day!!

Don't forget the Dirt track Nationals at Meremere be there to support our club!!

Merry Christmas to all and keep safe over the holiday period.

*Regards
ED*
