Presidents Comment

PRIDE

The only word I can use to describe the efforts of the team that went to the Nationals !!

I was so proud of :Doug Giddy, Steve Purcell, Rick Purcell, Tony Mullan, Pork Bonz, Chris Evetts, Pat Clapham and Kenny Ross. Kenny commentated and promoted "The Beach", the rest drove their hearts out (I'm sure Kenny felt he was in the drivers seat of every Beach car). I didnt stay for prize giving as I needed to ease my throat from all the screaming, but no doubt there was some silverware returning to the club. No doubt "The ED" will cover the Trophy tally.

The only low point was Mrs Bonz on her way to Victory for the Ladies class, when a "Holden" part in the Esky gave way!!!

One of the many high points was Steve's persistence to iron out the bugs in his new car. The result, a 1st a 2nd and a 4th in his division.

GO THE BEACH -

On another note our application to have the Ambulance on site at all meets to be paid for was accepted!

A NOTE FROM THE EDITOR

Well the Jolly Fat man has been and we are now into a New Year. I trust everyone had an excellent Christmas and an enjoyable New Years (I know I did!).

Just to re iterate what Pres had to say about the 2 day Nationals at Meremere, all of you did WBDTC proud.

I managed to get up to day 1 and it was fantastic!!!

The support within the team was awesome and there were a lot of overheard comments from the other clubs about the unity of the WBDTC.

It was great to see those who went up to support the drivers got stuck in when a problem arose to make sure they got back on the track, bloody brilliant!!

Just a reminder about the new date for the Jalopy Dust Up (February 5th 2012) we will need as many hands on deck as possible please, let Neil know if and when you are able to help.

I really need to mention how good it was to see a Junior driver on the track on our last points day, good on you Tyler, and I am really looking forward to seeing another Junior out there on our next points day as we welcome Kane into the fold
Lol!

Regards

ED
